TAKE2

Two classes. Seven weeks. Repeat.

Two courses every seven weeks, with no classes on Wednesdays, means more time for academics and more time for you!

You'll graduate in the same amount of time as the traditional model and have more opportunities to pursue your interests both inside and outside the classroom.

It's a pretty sweet deal!

THE OPPORTUNITIES ARE ENDLESS.

What you make of your Randolph education is up to you. There is no shortage of ways to find and grow your passions and talents—not to mention gain important real-world experience.

MEET YOUR *biggest* FAN.

Wanda WildCat has been cheering on our students for almost 30 years.

One of the few female college mascots in the nation, you never know where she will turn up. She's been known to ride bikes, dance, help with move-in day, and even dress up and hand out candy for Halloween!

Wanda saved a seat just for you!
